Library Computer Use Survey

Your library is participating in a grant program to provide funding for computer access to assist patrons who are unemployed and/or searching for work. Please take a moment to answer the following questions to assist the library with the required evaluation for this grant.

1. Were you able to locate the web site to file for unemployment?

_____ Yes   _____ No   _____ I wasn't here for that

    1a. If yes, were you able to file an unemployment claim online?

_____ Yes   _____ No   _____ I didn't need to file

2. Were you able locate web sites to help you find a job?

_____ Yes   _____ No   _____ I wasn't here for that

    2a. If yes, please list up to three.

3. Were you able to find at least one job listing online?

_____ Yes   _____ No   _____ I wasn't here for that

4. Were you able to apply for a job online?

_____ Yes   _____ No   _____ I wasn't here for that

5. Were you able to use the word processing program on the library's computer to write and print a resume?

_____ Yes   _____ No   _____ I wasn't here for that

(over)

6. Were you able to locate web sites where you could take aptitude and/or practice employment tests?

    _____ Yes   _____ No   _____ I wasn't here for that

    6a. If yes, please list up to three.

7. Do you think using the resources available through the library's computers has helped you with your job search or skill building?

    _____ Yes   _____ No   _____ I'm not sure

8. Please provide any comments you would like to share about using the library's computer resources.

Please return this survey to a library staff member. Thank you for your help!
